

*You're invited to the  
Going Like Lynn Women's Travel Club*

## **Winter Meeting and New Zealand Slide Show**

She has done it again. Travel Club member and adventurer KAREN ROTH has taken a winter dream trip of a lifetime to New Zealand. Karen has offered to share her adventures and slides with us. Some of you might have been at her talk on Patagonia last year which was really terrific. Whether you are an armchair adventurer or an active traveler, I think you will all enjoy Karen's excellent presentation.
